with Seattle Symphony

MOZART *dances*
SPRING 2009

Please join us at the highly anticipated second annual engagement of Mark Morris Dance Group with Seattle Symphony at The Paramount Theatre, May 1–3, 2009.

Mozart Dances offers a visually stimulating, elegant and often tender display of movement and technique. Set to two Mozart piano concertos — No. 11 in F and No. 27 in B-flat — flanking his Sonata in D for Two Pianos, the piece is danced against visual backdrops by Howard Hodgkin.

Rich and rewarding, and performed with the Mark Morris Dance Group's trademark combination of lyricism and astounding precision, Mozart Dances is a highly anticipated follow-up work to last season's *L'Allegro, il Penseroso ed il Moderato*.
