mark morris dance group

This legendary dance company from New York makes its first appearance in Bermuda, providing an opportunity to witness Mark Morris' remarkable choreography and his highly regarded dancers. The Mark Morris Dance Group garners first class reviews wherever it appears, recently performing in Moscow and in London to great acclaim.

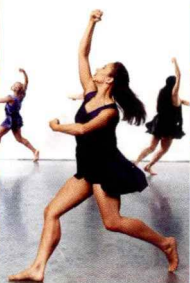

Animating his profound and sophisticated love of music through movement, Morris has changed the way audiences see dance. The Dance Group tours and performs with its own musicians, the MMDG Music Ensemble. That is one reason why MMDG performances are not just dance at the highest level, but simultaneously concert going at the highest level - a perfect blend of sound and movement.

▶ There will be a post-performance discussion.
