MARK MORRIS DANCE GROUP • AUGUST 24-28

In a rousing Festival finale, this program of classic revivals and recent work celebrates the lush, witty movement that makes Mark Morris one of America's most acclaimed choreographers. His company presents *Resurrection*, performed to Richard Rodgers' "Slaughter on 10th Avenue;" the famous solo *Ten Suggestions*; and *Dancing Honeymoon*, set to a medley of tunes from the 1920s and 30s. Dancers embody the music of Robert Schumann in *V*, accompanied by musicians from the Tanglewood Music Center.

Plus, don't miss your last chance to see *Annie Leibovitz: Dance*, the Pillow's exclusive free photography exhibit mounted in honor of Mark Morris Dance Group's 30th Anniversary.

Seven performances, tickets still available!
