### Welcome to The Irondale Center, the home of the Irondale Ensemble Project!

In 29 years, the **Irondale Ensemble Project** has produced over 60 major productions including the recent *Color Between the Lines*, *Henry V*, *Murrow's Boys*, and *alice... Alice...ALICE!*

Here, in addition to its own work, Irondale also presents a full season of theater, music, and dance. Guest Productions have included *Sarah Ruhl's Passion Play*, The Civilian's *In The Footprint*, PigPen's *The Nightmare Story*, *Treasure Island* and the annual FLICfest choreography festival.

Irondale also offers adult and youth improv classes, summer programs, and the work of the Irondale Young Company which brings together teens from Fort Greene and the surrounding Brooklyn community every Saturday to create their own theatre – all taught by members of the ensemble, all happening right here at the Irondale Center.

**Come join us for 1599 Project Part II, *Julius Caesar* (Nov. 27- Dec. 15) and
