# Artist-in-Residence

## Mark Morris

Our inaugural artist-in-residence, renowned choreographer Mark Morris, created a month-long focus on dance set to music by American composers. The residency includes public and Arts4Youth performances by the Mark Morris Dance Group and Music Ensemble as well as an American Musical Film Series. We are also proud to present the Philadelphia Dance for PD® Symposium on February 10, a first-ever event including a workshop, class and film screening, all dedicated to exploring the impact of dance, music and community on the lives of people with Parkinson's disease.
